

RECYCLING INFORMATION

SIMPLE RECYCLING

Clothing and textiles are 100% recyclable, but most end up in landfills! The City of Lansing works with Simple Recycling, a company that collects usable clothing, shoes, textiles and household goods for reuse and recycling. Lansing residents can set these materials out at the curb on their normal city recycling day. Simple Recycling provides special bags and tags to residents that must be used to set out these items. To request bags, contact Simple Recycling at **(866) 835-5068** or info@simplerecycling.com.

Please remember that this is a separate collection from the Lansing green recycling carts. Please do not put clothing and textiles in recycling carts.

***Collection is currently suspended. Updates will be provided at lansingmi.gov/simplerecycling and residents will be notified when service resumes.**

HOUSEHOLD HAZARDOUS WASTE DISPOSAL

The Ingham County Health Department operates a Household Hazardous Waste Collection for materials such as gasoline, flammables, oil-based paint, pesticides and other materials. Collections are May-September on Tuesdays and Thursdays from 2-6 p.m. The site is located at 5303 S. Cedar St., east side of the Health Department (follow the signs to the facility). Call **(517) 877-4321** for more information.

RECYCLE COACH

A new and improved waste collection reminder service is now available! Sign-up for Recycle Coach by downloading the app on your mobile device. You can also locate your collection schedule by visiting lansingmi.gov/CART.

PROPER DISPOSAL OF OLD MEDICINE

TRASH DISPOSAL INFORMATION

We are the leader in convenient, affordable curbside pickup. Our range of trash cart sizes are sure to meet the needs of any size household. Place carts on the curb by 7:00 a.m. on collection day. Containers must be off the curb within 24 hours. Separate recyclable materials and yard waste from trash.

BLUE TRASH CART SERVICE

These strong, convenient blue carts are for trash only. All trash in the carts must be bagged to keep carts clean and odor minimized. Can't get your cart to the curb? Front door pickup is available for an additional fee each quarter (every three months). To sign-up for service, **call (517) 483-4400** or visit **lansingmi.gov/CART**.

BULK TRASH ITEMS

Large items over 30 pounds and longer than 4 feet such as appliances and furniture are considered bulk waste. The cost to have these picked up from the curbside is \$33.00 for the first item. Additional items are \$16.50/each. **This is a non-refundable fee.** There are no longer trash stickers. Instead, simply pay in advance of your scheduled bulk collection day and place your item at the curb by that time.

To request bulk collection, please visit **lansingmi.gov/bulktrash**.

Payment Options Include:

- Credit Card - Call the CART mainline at **(517) 483-4400**, from 8 a.m. to 4 p.m. Monday through Friday.
- In Person - City of Lansing Treasurer's Office: **1st Floor City Hall, 124 W. Michigan Avenue** (cash payments accepted).
- * **This option is not currently available. When it is again, residents will be notified. No cash or check payments should be made in the treasury lock box.**
- * **Bulk collection will resume the week of September 21st. Updates on this will be provided.**

Households that meet income qualifications can receive one free bulk sticker/year with appropriate documentation. For more information, please contact the CART Office. To request a sticker, please visit **lansingmi.gov/bulktrash**.

YARD WASTE

The seasonal collection of leaves, grass clippings and other yard waste materials will continue until the end of November 2020. Pickup will be every other week until weekly collection resumes for the fall leaf drop. Place materials at the curbside in paper bags on your normal collection day. Do not use the City of Lansing's trash carts or private waste hauler carts. Paper lawn care bags are available at most grocery and hardware stores. Brush and tree trimmings must be less than four feet in length and less than two inches in diameter and bundled securely with string or twine, not wire. Please limit all bags and bundles to no more than 30 pounds each. For additional information, visit **lansingmi.gov/CART**.
